People First Movement Individual Membership Form

People First of Canada is the National Voice of people labelled with an intellectual disability. Our main objective is inclusion for all. Our purpose is to educate and advocate for the full citizenship of Canadians with intellectual disabilities to be equal and contributing members of society.

The People First movement works towards the deinstitutionalization of persons with intellectual disabilities and believes in their full inclusion and citizenship rights.

Individuals who have been labelled with an intellectual disability direct the organization's activities. Individuals can become members and become involved or show their support.

If you are a person who has lived in a group home, attended a sheltered workshop, received 'specialized' education, or lived in an institution and would like to become a member of People First, please fill out the form below.

If you want to become more involved with People First in your province or territory, please contact us at info@peoplefirstofcanada.ca

Thank you and welcome to the movement!
