This is a notice for people who lived at the Manitoba Developmental Centre (MDC).

Did you live at MDC between July 1951 and May 2020?

Please read this.

There is a Class Action lawsuit for people who lived at MDC. The lawsuit says Manitoba did not run MDC well. People were hurt because of this.

Manitoba has agreed to settle the lawsuit. People who were hurt will get payments. This is to make up for what happened to them. Manitoba does not need to say they did anything wrong.

The Court has to agree. There will be a hearing on **May 5, 2023**. The Court will decide if it agrees after the hearing.

If the Court agrees, there will be benefits for people hurt at MDC. Manitoba will create a \$17 million fund. This will pay the people who were hurt. Manitoba will do other things to make up for what happened at MDC.

If you were hurt, you can make a claim. You could be paid from \$3,000 to \$85,000. You can make a claim after the hearing.

If you agree with this, you do not need to do anything now.

If you do not agree, you can object. You have to send your objection by April 21, 2023. The Objection Form is at <https://mdcclassactionsettlement.com/>.
